DECISION ON PETITION  
TO WITHDRAW THE  
HOLDING OF ABANDONMENT

This is a decision on applicant's Petition to Withdraw the Holding of Abandonment under 37 CFR 1.181, filed in the United States Patent and Trademark Office on August 31, 2005.

The petition is **DISMISSED**.

It is noted that the petition is not considered official correspondence, as it was not signed. Applicant's attention is drawn to 37 CFR 1.4 which recites that to be considered official correspondence an original signature is required. Therefore, the merits of applicant's petition will not be addressed.

However, it is noted that a review of the file record reveals that a Non-Final rejection was mailed on November 16, 2004, setting a three-month extendable response period. A Notice of Abandonment was mailed, on June 02, 2005, indicating that no response to the November 16, 2004 Office action was received. Both the Non-Final rejection and Notice of Abandonment were mailed to the correspondence address filed with the original declaration. Each was returned as undeliverable. No change of correspondence address is of record. As such, both the Non-Final Rejection and Notice of Abandonment were properly mailed. All correspondence will continue to be sent to the correspondence address of record filed with the original declaration unless a letter changing the correspondence address is submitted.

Applicant may wish to consider filing a petition to revive under 37 CFR 1.137(a) (unavoidable delay) or 37 CFR 1.137(b) (unintentional delay) as discussed below.

I. Unavoidable Delay

A grantable petition to revive an abandoned application under 37 CFR 1.137(a) must be accompanied by: (1) the required reply (unless previously filed), which

may be met by the filing of a continuing application in a nonprovisional application abandoned for failure to prosecute; (2) the petition fee required by 37 CFR 1.17(l); and (3) an adequate showing to the satisfaction of the Commissioner that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(a) was unavoidable.

The showing requirement can be met by submission of statements of fact establishing that the delay in filing the reply was unavoidable. This includes a satisfactory showing that the cause of the delay resulting in failure to reply in a timely fashion to the Office action was unavoidable. Diligence during the time period between abandonment and filing of the petition to revive must also be shown.

As an alternative to filing a petition for unavoidable abandonment, a petition for revival of an application abandoned unintentionally under 37 CFR 1.137(b) might be appropriate.

## II. Unintentional Delay

A grantable petition to revive an abandoned application under 37 CFR 1.137(b) must be accompanied by: (1) the required reply (unless previously filed), which may be met by the filing of a continuing application in a nonprovisional application abandoned for failure to prosecute; (2) the petition fee required by 37 CFR 1.17(m); and (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

If not previously filed, the reply to the outstanding Office action must accompany the petition to revive. The required items should be promptly submitted under a cover letter entitled "Petition to Revive."

Further correspondence with respect to a petition to revive should be addressed as follows:

Alexandria, VA 22314

Telephone inquiries should be directed to the Office of Petitions Staff at (571) 272-3282.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(b) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition to Withdraw the Holding of Abandonment Under 37 CFR 1.81."
